PAEDIATRIC JOINT MOTOR DISORDER ASSESSMENT CLINIC – 28/03/18

Dear Parents

I should be grateful if **Fatimah** could attend the Joint Motor Disorder Assessment Clinic to see Dr. Patricia Atkinson, Community Paediatrician, Linda Willmott and Sandra Speller, Paediatric Physiotherapists.

Location: Child Development Centre (1st Floor, Green Wing, Crawley Hospital)

Appointment time: 11.45 a.m

Appointment date: Wednesday 28th March 2018

This appointment will last approximately 60 minutes. If this assessment is of lower limbs, please ensure that your child is wearing shorts and bring with them any mobility aids, such as boots, walker or splints which they normally use during the daytime.

If you have any queries about this appointment or cannot attend, please do not hesitate to contact me on the above telephone number.

Yours sincerely

Kirsti Maxim

Centre Receptionist

Please be aware that parking is difficult at Crawley Hospital. The cost of on-street parking outside the hospital grounds (in pay and display bays) is 60p per hour. There is a visitor's car park in the hospital grounds, costing £1 per hour up to four hours. You may consider using the local NCP pay and display car park 'Orchard Street' based in Pegler Way, which is at the town centre end of West Green Drive.

NB. If you display a blue/orange 'disabled persons' badge on your car, you may park without payment or time limit in any pay and display parking bay within the 'Controlled Parking Zone A'. (You may not, however, park in permit holder only bays unless you possess a residents' permit for A zone).

Note – It is our practise for information to be shared with and/or obtained from other professionals Involved with your child. If you have any objections, please let us know.
