Fatimah's hospital number: **6430292Z**

1st May 2018

Dear Parent/Guardian of Fatimah Aamir

**Appointment with 'One Small Step' Gait laboratory**

We have booked the earliest available appointment for Fatimah to attend a clinic at **Guy's Hospital**.

**Appointment details**

**Date and time:**

*Tuesday 15th May*  
**Monday 14th May 2018, 1:30 pm**

**Clinic:**

**'One Small Step'**

**Address:**

**Gait Laboratory, Lower Ground Floor (Lift/Stairs C), Southwark  
Wing (Blue Zone),  
Guy's Hospital SE1 9RT**

Fatimah will be seen by a clinical scientist or physiotherapist. Please bring suitable clothing for her (T-shirt and loose shorts that are reasonably short in the leg OR a bikini). Please do not apply any creams to your child's body prior to the appointment as this may affect the test results. The appointment takes between 1 ½ and 2 ½ hours. If Fatimah uses any walking aids or splints to help her to walk, please bring this equipment with you.

If this appointment is inconvenient and you need to change it, please contact us on **020 7188 2476**. We would appreciate it if you could give us as much notice as possible to ensure this appointment can be allocated to another patient. Failing to attend means we are not using our staff effectively and other patients are waiting longer. If Fatimah fails to attend this appointment without you informing us, we may not send a further appointment and Fatimah may be discharged back to her GP.

We may remind you of this appointment by text message to your mobile phone. To ensure we hold the correct mobile number for you please call us or go to [www.guysandstthomas.nhs.uk/appointments](http://www.guysandstthomas.nhs.uk/appointments) and complete the 'update mobile number' form. If you have previously given your mobile number but you do not want to be contacted in this manner, please let us know. Further information, including travel advice, is available on our website ([www.guysandstthomas.nhs.uk](http://www.guysandstthomas.nhs.uk)).

Yours sincerely,

Appointments Administrator
